Minutes of the NECTAG Meeting – April 8, 2009

The Meeting came to order at 6:34p.m.

There were many new people at the meeting - probably about 15. It was fantastic to see so many new faces.

We began with our guest speaker, Marilyn Braaten. She gave a brief introduction and then critiqued artwork brought in by people. We had such a tremendous interest in the critique and so many people brought in artwork, the critique ran until 8:23.

Meeting adjourned at 8:25pm

Respectfully submitted,
